## 4648q Series Zero Clients

Model Numbers: 4648qo, 4648qc, 4648qm

### Industry Leading Secure Endpoint Solutions

The 10ZiG 4648q Series is an ultra-compact entry-level class model, ideal for task or business workers. Its space-saving design is perfect for remote set-ups like working from home. The fanless, Quad Core build is equipped with either an Intel Braswell or Celeron processor with HD graphics. Equipped with free centralized management via The 10ZiG Manager™, which comes cloud-enabled with unlimited user licenses. Covered by a 3-Year Advance Warranty, technical support, and software upgrades. Also available in a Thin Client device.

|                                                                                     |                                                                 |
|-------------------------------------------------------------------------------------|-----------------------------------------------------------------|
|  | Intel N3160 Quad Core 1.60 (2.24GHz Burst)                      |
|  | 2 x (3840 x 2160) @ 30Hz via DisplayPort (2 Monitors at 4KUHD*) |
|  | Up to 8GB RAM and 256GB Storage                                 |
|  | 2 x USB 2.0, 2 x USB 3.0                                        |
|  | RJ45 LAN                                                        |
|  | TAA Compliant**                                                 |
|  | Optional Wireless (Dual External Antenna)                       |
