## 7048q Series Zero Clients

Model Numbers: 7048qo, 7048qc, 7048qm

### Industry Leading Secure Endpoint Solutions

The 10ZiG 7048q Series is a flexible, powerful Zero Client workhorse in the 10ZiG hardware lineup. A compact, durable, reliable, and fanless endpoint, the 7048q puts more speed into the Power, Speed, and Performance of 10ZiG and offers superior support for today's modern workforces. Equipped with free centralized management via 10ZiG Manager – cloud-enabled with unlimited user licenses. Covered by a 3-Year Advance Warranty, technical support, and software upgrades. Also available in a Thin Client device.

|                                                                                     |                                                                 |
